

Life after Manson

Going Back to Your Old School

For Ages 14 - 17

**Your old school
has to take you back.**

Or place you in the right school for your grade.

**Your school has to tell
Manson that you're back.**

And then Manson has to send the school your records and transcripts within 10 days.

**You get credit for all your
school work at Manson.**

**You don't need your parent's
or guardian's signature to
get your records transferred.**

**The school cannot expel you
or punish you for the offense you
already served time for.**

They can't put you in Alternative Ed unless you say okay.

If you need a copy of your Manson transcript:

If your Manson ID ends in an even number, call 203-806-5211.

If your Manson ID ends in an odd number, call 203-806-2509.

Or Fax your transcript request to 203-806-2518 or 203-699-1847.

If you can't get what you need, call the Manson principal at 203-806-2572.

Life after Manson

Going to School in a New Town

For Ages 14 - 17

You Must Enroll.

Call the Board of Education in your town to find out where to bring these documents:

1. Your birth certificate
2. Your social security number
3. Proof that you live in the school district (current utility bill, lease, bank statement)
4. Guardianship documents (if you're under age 18)
5. Your current IEP (Individual Education Plan) if you have one

The school has to tell Manson that you're enrolled.

And then Manson has to send the school your records and transcripts within 10 days.

You get credit for all your school work at Manson.

You don't need your parent's or guardian's signature to get your records transferred.

The school cannot expel you or punish you for the offense you already served time for.
