Re: Client's Administrative Case Review

Dear SOCIAL WORKER,

The purpose of this letter is to advise the Department of issues I would like CLIENT'S administrative case review meeting to address. Unfortunately I will be IN COURT/ UNAVAILABLE/ DETAILED and unable to attend the meeting personally. Accordingly, I would like to ensure that the treatment team addresses the following issues:

1. CLIENT'S reunification plan. While CLIENT [HAS BEEN VISITING, GROWING CLOSER, WANTS REUNIFICATION]. What is DCF's plan to ensure that reunification can take place in a timely manner? What services will be provided to CLIENT and his family in order to facilitate reunification and ensure its success? Has DCF identified any obstacles to reunification ..., and how can these obstacles be addressed? What is the timeline for addressing such obstacles.
2. CLIENT'S discharge plan SERVICES. CLIENT has made substantial progress while PARTICIPATING IN SERVICES. He has participated in LIST... The clinical supervisor, JOHN, indicates that overall, CLIENT has been doing well in the program. Angel understands that PROGRAM has been beneficial to him, however, he is anxious to MOVE CLOSER TO REUNIFICATION. Has DCF received regular reports from PROVIDER about CLIENT'S treatment goals and progress?

Thank you in advance for considering my questions and including them in the treatment plan discussion and minutes. Pursuant to Conn. Gen. Stat. § 17a-28, please forward me a copy of the treatment plan review documents when they are finalized.

Very Truly Yours,

Attorney for CLIENT
